OF EMERGENCY SERVICES

# **SITUATION SUMMARY**

## **Tsunami Preparedness Week 2015**

- The Governor has proclaimed March 22 – 28, 2015 Tsunami Preparedness Week. During the last full week of March the state supports activities and outreach in coastal counties and communities.

## **Metro Light-Rail collision, Los Angeles, Los Angeles County, Hazardous Material Spill Report# 15-1759**

- A 3 car train headed east was struck by a vehicle that made a left turn in the crosswalk near the University of Southern California. Currently there is 1 critical patient (driver of vehicle) that had to be extracted, 1 serious patient ( train conductor), 19 passengers that are currently being examined by LAFD. At least two of the cars have been derailed.
- Cal OES FDO reports 10 of the 21 patients have been transported to local area hospitals under the LA City Mass Casualty Plan.
- Unified Command has been established with LA Police Department, LA Fire Department, LA County Sheriff's Department, LA DOT, and Metropolitan Transit Authority.
- Notifications have been made by CSWC personnel following SOP. There are no requests for state assistance.

## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

## **Weather of Concern**

- No significant Weather Watches or Warnings are in effect.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

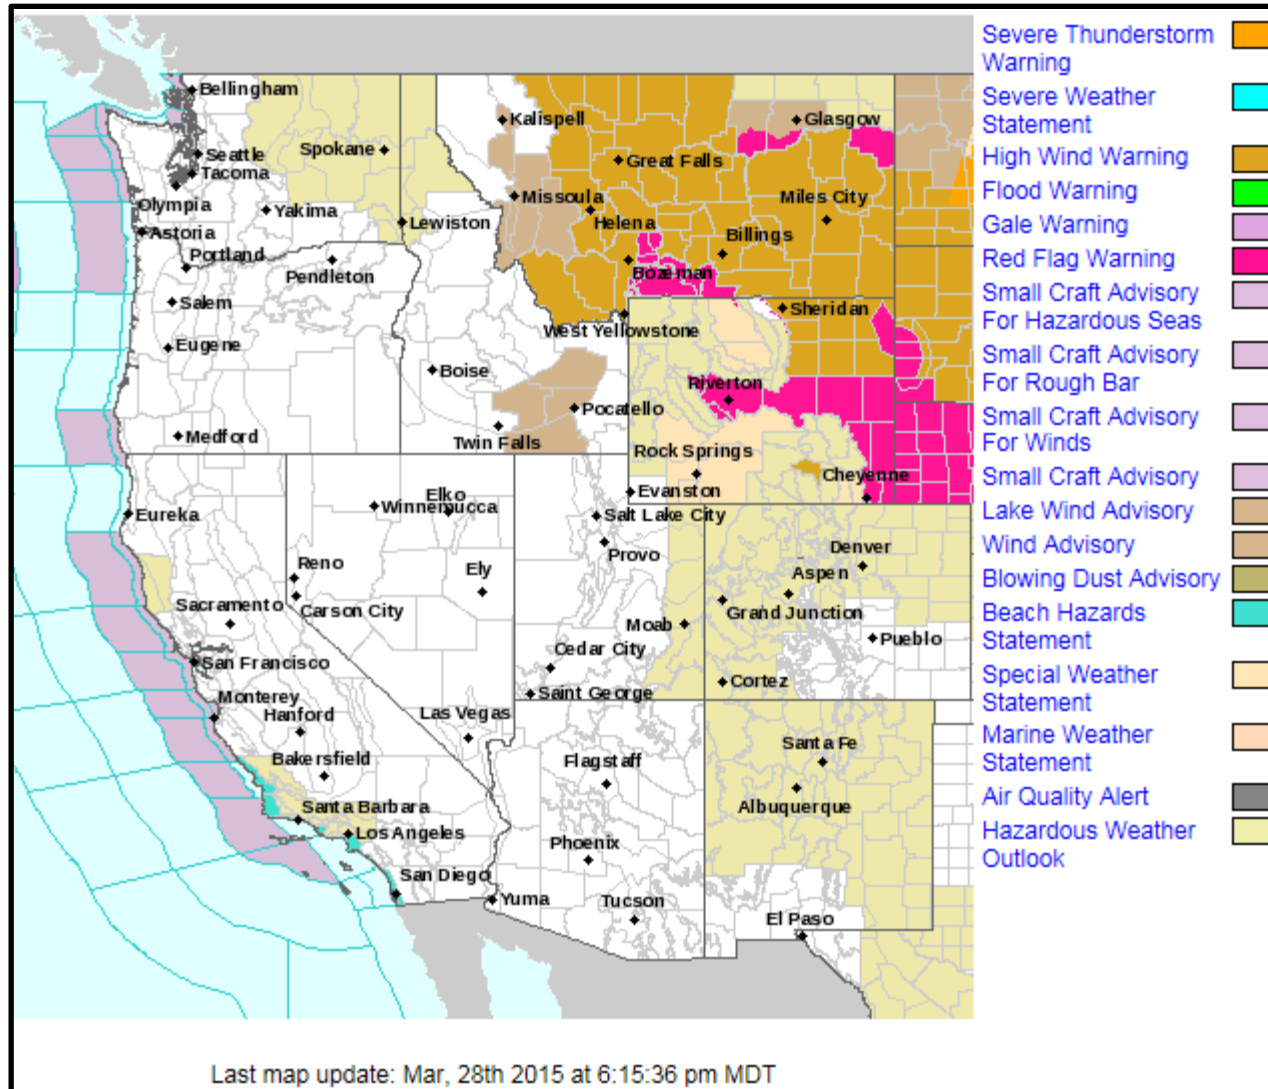

### **NORTHERN CALIFORNIA**

A weak weather system passes through the area today bringing some clouds this morning. Breezy northerly winds develop through the central valley by this afternoon but decrease tonight and Sunday. Above normal temperatures will continue into early next week.

### **SOUTHERN CALIFORNIA:**

Continued weak onshore flow will bring cooling and moderate relative humidity values to the valleys today but it will remain unseasonably warm for the deserts. High pressure will bring warming for Monday followed by gusty westerly winds midweek with another minor cool down.

# **RECOVERY ACTIVITIES**

## **Round Fire, Mono County**

- Site sampling and hazardous materials recovery of the affected properties began 03/14/15. Cal Recycle began debris removal operations 03/23/15.
- Two Recovery personnel have deployed to Mono County to assist with debris removal operations.
- An Applicant's Briefing will be held on 04/03/15 at 1300 hours, at the Lee Vining Community Center, to discuss the eligibility and guidelines of the CDAA program.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, and Southern REOCs and the Santa Barbara County EOC are activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate a monthly state interagency conference call regarding drought community impacts.
- Cal OES Regional (Inland, Coastal, Southern) conference calls continue to occur on a bi-weekly basis.

# CAL OES MISSIONS

## Ongoing Cal OES Missions

- **2015-LAW-9096, 3/23/15 1030 hours**, Trinity County Sheriff's Department (TCSD) is requesting resources for a cold case homicide. Their investigation revealed that the victim's remains maybe in a 80 acre parcel in Shasta County. TCSD is requesting two cadaver search dog teams to assist in searching the area. California Governor's Office of Emergency Services, Law Enforcement Branch is coordinating the search dog response. **Mission On-going.**

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
